**PLEASE JOIN US FOR A NEW LEARNING SERIES BROUGHT
TO YOU BY THE QIO PROGRAM!**

During this kick-off webinar, Dennis Wagner, Director of the Quality Improvement and Innovation Group with the Centers for Medicare & Medicaid Services (CMS), will describe the vision of the Quality Improvement Organization (QIO) Program, provide information on the benefits of working with regional Quality Innovation Network-QIO (QIN-QIOs) and share examples of local success stories involving providers, partners and patients to give a better understanding of how to take full advantage of your participation with the QIO Program.

REQUESTED PREWORK:

Please watch the Quality Improvement Organization (QIO) Program Documentary on the QIO Program YouTube Channel here: <https://www.youtube.com/watch?v=3UtAdaq8SJU>.

In this 20-minute video, you'll hear from CMS leadership about the evolution of the QIO Program. After watching, you'll have a good understanding of the QIO Program, where we've come from, and where we are now.

This material was prepared by Telligen, the Quality Innovation Network National Coordinating Center, under contract with the Centers for Medicare & Medicaid Services (CMS), an agency of the U.S. Department of Health and Human Services.
