

## 2020 HIPAA PASS Privacy and Security Solutions

*Mountain-Pacific Quality Health has security risk analysis (SRA) services tailored to meet your needs and budget. We can provide a SRA for your hospital, practice or business associate contractor.*

*Under 45 CFR 164.308(a)(1)(ii) you are required to conduct an accurate and thorough assessment of the potential risks and vulnerabilities to the confidentiality, integrity and availability of electronic protected health information (ePHI) held by the covered entity or business associate and implement security measures sufficient to reduce risks and vulnerabilities.*

*Let us help you remove the obstacles on your path to Health Insurance Portability & Accountability Act (HIPAA) compliance. Please check out our professional service packages on the next page to find a solution that best meets the needs of your organization.*
